

COLTS NECK LEAF COLLECTION TO BEGIN OCTOBER 19, 2009

Leaf collection will consist of picking up leaves only. Leaves shall be placed at the curb line in a neat wind row. The leaf vacuum machines are designed to pick up **loose leaves only**; therefore, leaves shall **NOT** be in bags or mixed with any other debris such as grass, limbs, or twigs. **Any leaf piles mixed with refuse will not be picked up by the township; it will then be the property owner's responsibility to dispose of the debris.**

The intent of the leaf schedule is to advise residents when we will pick up in their area. The Public Works Department will pick up leaves in all areas until completion, so it is not necessary for residents to call for pick-up.

Residents and landscapers are reminded **NOT** to blow leaves out into the street; it is hazardous to drivers and pedestrians and blocks storm drains. Residents are urged to **place leaves out to the curb line the WEEKEND PRIOR to the scheduled collection date** in the event you are the first pick-up at 7:30 on Monday morning. Leaves raked out for collection too far ahead of schedule tend to blow either back in your yard or your neighbor's; therefore, please be courteous to your neighbors, and save yourself additional time re-raking your leaves as well.

RESIDENTS, PLEASE INFORM YOUR LANDSCAPERS OF OUR SCHEDULE.

THERE WILL BE NO MORE BRUSH COLLECTION UNTIL THE SPRING OF 2010.

Thank you for your cooperation.
